

Eco Friendly Recycling

ANNUAL REPORT 2010-11

**GRAVITA
INDIA LTD.**

AN INDIAN MULTINATIONAL COMPANY

Forward-looking statement

Statements in this report that describe the Company's objectives, projections, estimates, expectations or predictions of the future may be 'forward-looking statements' within the meaning of the applicable securities laws and regulations. The Company cautions that such statements involve risks and uncertainty and that actual results could differ materially from those expressed or implied. Important factors that could cause differences include raw materials' cost or availability, cyclical demand and pricing in the Company's principal markets, changes in government regulations, economic developments within the countries in which the Company conducts business, and other factors relating to the Company's operations, such as litigation, labour negotiations and fiscal regimes.

Gravita India Limited is
unique.

Gravita is probably the only company in the secondary Lead segment in India to offer manufactured products, manufacturing technology solutions and trading revenues within India and other countries.

The Company is of Indian origin and possesses a global manufacturing presence.

Gravita India Ltd, today is amongst India's most attractive companies in Lead smelting and refining segment.

Our mission

- ▶ To create enhanced value for the Company's stakeholders
- ▶ To have continuous R&D activities and breakthroughs towards environmental protection
- ▶ To focus on safe handling and overall health of employees and society as a whole
- ▶ To be an employer of choice and to nurture talent

Our vision

- ▶ All our businesses are targeted at maintaining the highest levels of environmental integrity and cost-competitiveness. We firmly believe that eco-friendly business practices are the key to the preservation and protection of our natural resources.
- ▶ Our people are our biggest resources. We truly believe in them and put all our efforts for their development, so as to enable them to meet new challenges in an ever-changing environment.
- ▶ We always focus on customer delight and try to give them value for money, along with timely and courteous service.

ABOUT US

Parentage

- ▶ Flagship company of the Gravita Group
- ▶ Incorporated in 1992 by first-generation entrepreneur Mr. Rajat Agrawal to manufacture Lead metal (through the recycle and smelting process) and other Lead products
- ▶ Listed in 2010 on the Bombay Stock Exchange Limited and the National Stock Exchange (India) Limited

Presence

- ▶ Headquartered in Jaipur with seven global manufacturing plants; the Company's primary manufacturing facility is located in Tehsil-Phagi, Jaipur
- ▶ Operates through two offices in India
- ▶ Enjoys an export presence across 34 countries

Products

The Company's Lead products comprise the following:

- ▶ Pure/refined Lead
- ▶ Re-melted Lead ingots
- ▶ Lead alloys
- ▶ Grey oxide
- ▶ Red Lead
- ▶ Litharge

Quality accreditations

- ▶ The Company's operations are ISO 9001:2008-certified
- ▶ Products conform with IS and LME/European standards
- ▶ Company's Environment Management Systems are ISO-14001:2004-certified
- ▶ Equipment are certified as per CE standards

Awards and recognition

- ▶ Awarded Star Export House status by the Government of India
- ▶ Awarded Business Today Green SME Award
- ▶ Conferred Udyog Bharti Award for corporate social responsibility
- ▶ Conferred the Rashtriya Vikas Ratan Award

Business model

Gravita India Ltd

Overview

Gravita, possesses a business model that is attractive from a number of perspectives: The business rides modern, energy-centric lifestyles that consume a larger number of battery-powered gadgets than ever.

It is our conviction that as incomes rise and mass production increases, the real cost of battery-driven products will decline, increasing their use.

A growing population of battery-driven products will make it imperative to recycle them for onward use. This recycling option is increasingly relevant in a world where Lead derived from primary sources will decline as a proportion of the overall consumption of Lead in our everyday lives. This is because primary Lead production sources will gradually deplete, whereas

the input for the production of secondary Lead is likely to increase continuously.

In view of this, Lead consumption (especially through the secondary route) will only increase as the world becomes increasingly affluent and environmentally-demanding, strengthening Gravita's business prospects.

This connect between societal affluence on the one hand and our business prosperity on the other, will only increase over the foreseeable future. At Gravita, this will reflect in larger capacities, growing locations, improving efficiencies, rising revenues and strengthening profits. This has already begun to transpire; during 2010-11, the Company reported a 59.79% hike in revenue and 19.67% profit growth; the Company expects to

CONSOLIDATED PERFORMANCE INDICATORS

Net Sales (₹ Lacs)

Net Profit (₹ Lacs)

EBIDTA (₹ Lacs)

Total income (₹ Lacs)

Gross Block (₹ Lacs)

sustain this momentum over the foreseeable future.

■ Manufacturing

The Company is engaged in manufacturing of eco-friendly Lead smelting, Lead refining (with a maximum 99.97% purity by weight), value-added alloying and the production of innovative Lead chemicals (red Lead and litharge). The Company's principal plant is located in Jaipur, with operating subsidiaries (Ghana, Mozambique, Senegal and Georgia) and associates (Sri Lanka and Honduras) dispersed across the world.

■ Turnkey projects

The Company offers eco-friendly Lead recycling and refining plants, pollution control equipment, battery-breaking and hydro separation systems. These plants

deliver eco-friendly smelting, refining and alloying solutions. The Company is a respected provider of these eco-friendly plants, having supplied 41 such units across 34 countries until the close of 2010-11. The engineering knowledge related to this business helps the Company understand emerging capacities across the world and India, preparing it for competition. Besides, this knowledge is leveraged to generate a high uptime of company-owned production assets. To further strengthen this segment, the Company is going to launch a world-class manufacturing plant in Mahindra World City SEZ, (Jaipur) in the current fiscal.

■ International business

The Company is engaged in the mercantile trade of Lead, Lead products, metals, chemicals, ferrous scrap and

minerals. The Company commissioned an exclusive B2B portal related to the Lead industry, to facilitate the growth of this business. This business is synergic with the Company's other business segments; the Company's rich industry experience enables it to capitalise on trading opportunities.

Conclusion

Gravita is attractively placed to capitalise on this secular trend through the interplay of its three businesses – Lead recycling and processing; the Company fabricates and markets equipment used in Lead recycling and processing; the Company also utilises these assets in its manufacturing process to generate an income. Apart from it, the Company leverages its longstanding insight in Lead markets to capitalise on trading opportunities.

Gravita's SCOT analysis

Strengths

- ▶ Global presence
- ▶ Global access to raw materials
- ▶ Environment-friendly
- ▶ Versatile product mix
- ▶ Strong brand
- ▶ Enduring customer relationships
- ▶ Complete solutions under one roof
- ▶ Strong management team

Opportunities

- ▶ Increased demand of Lead Batteries in the auto, telecom and power sectors
- ▶ Depletion of mining resources, increasing the demand for secondary Lead source
- ▶ Increase in government focus on strict regulatory compliance to control unorganised or backyard smelters

Challenges

- ▶ Manufacturing unit at a distance from the port
- ▶ High dependence on imported scrap metal/Lead ingots
- ▶ Focus on single non-ferrous metal

Threats

- ▶ Hazardous industry
- ▶ Volatile Lead prices
- ▶ Competition from local unorganised sector
- ▶ Poor monitoring of environmental regulations in countries

Chairman's review

Gravita's ambition is to emerge as a world-class Lead solutions provider.

I am pleased to present our first annual report as a public listed Company.

There is satisfaction on the one hand and optimism on the other. I am optimistic about our prospects.

Your Company reported outstanding performance in 2010-11: standalone revenues grew 85.77% while standalone profit after tax increased 68.80%; consolidated revenues grew 59.78% while consolidated profit after tax increased 19.67%.

Gravita is at the bottom-end today of a long J-curve that should translate into sustainable revenue and profit growth for a number of reasons:

One, the global Lead industry is growing at 5-6%, whereas the Indian Lead industry is growing at 11-12%, raising Lead's growing use in batteries and UPS applications, arising out of growing investments in the country's infrastructure and automobile sectors.

Two, our Company is a single-point Lead solutions provider. For those who need Lead products, we provide a large product basket. For those who need Lead technology, we provide complete fabricated plant equipment that is clean, competitive and customised.

Further, we capitalise on opportunities that present themselves in the international market, resulting in a strong and profitable performance. The combination of these business exposures makes it possible for us to capitalise on a variety of opportunities, making us unique.

This unique combination – smelting and processing, equipment manufacturing and trading – is business-strengthening and has helped evolve our industry positioning from a commodity company into a knowledge-driven organisation.

Achievements

One of our big achievements during the year under review was the successful completion of our Initial Public Offer, which was oversubscribed 42.24 times. The Company received bids for 15.21 crore equity shares as against 36 lacs shares on offer. The result was the QIP portion was subscribed six times, the non institutional investor (HNI) segment 180 times and the retail portion 36 times. What gives me satisfaction is that the Company's performance enhanced value for all those who invested in us: Of 71 IPOs completed during 2010-11, only 21 reported post-listing gains, of which Gravita reported the highest appreciation. We offered stock at ₹125

during the IPO; by the end of 2010-11, the Gravita stock was quoted at ₹377.75, generating a 202% annual return for all those who invested in our Company.

Going ahead, the IPO proceeds will be invested in setting up additional manufacturing facilities in India and overseas, as we had indicated in our altered IPO objectives, for which shareholders' approval will be sought in the forthcoming Annual General Meeting.

Our improved earnings in 2010-11 were derived from the following achievements:

- ▶ We increased our production capacity from 35,400 metric tonnes in 2009-10 to 42,600 metric tonnes in 2010-11; the average capacity utilisation of our Jaipur plant increased from 26% to 30% across the period.
- ▶ Our merchant trading business grew three-fold to ₹6,327.12 lacs in revenue.

The industry picture

Our industry optimism is derived from some evident realities:

One, even as Lead demand increases in India, the country is short in Lead ore reserves or investments to feed its growing appetite. This will make it

imperative for the country to import larger quantities of the metal or commission secondary Lead sources.

Two, there is already a Lead shortage in India, which with passage of time will increase. To feed a national demand for 0.6 million tonnes per annum, India imported nearly 200,000 tonnes in 2010-11.

Three, the share of secondary Lead manufacture will gradually increase, as its production is less capital-intensive, complex, energy-intensive and people-intensive than primary Lead manufacture – from an estimated 54% of total Lead consumption to 90% over the decade.

Four, the organised sector share within India is expected to increase from 27% today to an estimated 45% in a few years, on account of stronger economies of scale, larger investment inflow, graduation to cleaner technologies and a growing plugging of fiscal loopholes that effectively raise production costs for unorganised manufacturers.

Five, a combination of the automobile and industrial growth will catalyse Lead demand, resulting in an annual industry

growth of 12%. Besides, there is a growing demand from renewable sectors, which is expected to keep growing well into the long-term.

Six, no other medium stores energy better than Lead, so the likelihood of this metal losing its industry relevance appears remote. Besides, the metal has strong radiation shielding properties, making it safe for use.

Being prepared

Going ahead, Gravita expects to strengthen its competitive position in the domestic and international Lead metal sector through the following strategies:

- ▶ Establish a modern, environment-friendly manufacturing facility in North India to cater to a growing hinterland
- ▶ Manufacture a larger quantum of value-added products (Lead powder Lead sheets and Lead wire, among others) that will protect us from commoditisation
- ▶ Establish new plants overseas to capitalise on available abundant low

cost raw material on the one hand and growing proximate markets on the other

- ▶ Acquire 17,656 sq. metres in the Jaipur Mahindra World SEZ, to create world class manufacturing facility for plant and machinery and capitalise on locational export incentives
- ▶ Acquire a plant in Jammu (7,200 MT per annum) to cater to the growing demand of our products coming out of North India.
- ▶ Commission a manufacturing facility to recycle Lead battery scrap and produce re-melted Lead ingots through Gravita Honduras S.A. (6,000 MTPA)
- ▶ Expand in line with the objectives of IPO as amended.

Outlook

Gravita is optimistic of reporting a stronger 2011-12, as the acquired Jammu plant has already started generating revenue during the current financial year. There will be capacity expansion in our Jaipur plant, and the capacity overseas is expected to increase by 11,000 tonnes per annum.

Going ahead, Gravita expects to increase its Indian and overseas capacities from a cumulative 35,400 TPA at the close of 2010-11 to an estimated 70,000 TPA over 18 months. Through this aggressive capacity addition agenda, Gravita expects to emerge as a world-class professional single-point Lead solutions organisation.

With warm regards,

Mahaveer Prasad Agarwal,
Chairman

Lead applications

- ▶ Batteries
 - Automobiles
 - Industrial applications (telecom, railways, equipments and appliances, UPS and inverters)
- ▶ New applications (solar, wind, hybrid automobiles and e-bikes)
- ▶ Radiation shielding (nuclear and medical)
- ▶ Pigments and chemicals
- ▶ Ammunition and shots
- ▶ Special alloys
- ▶ Cable sheathing and galvanising
- ▶ Renewable energy
- ▶ Miscellaneous

Going ahead, Gravita expects to increase its Indian and overseas capacities from a cumulative 35,400 TPA at the close of 2010-11 to an estimated 70,000 TPA over 18 months.

GRAVITA'S STRENGTHS

Global presence

Gravita has its direct, associate and subsidiary presence in seven countries (India, Ghana, Senegal, Mozambique, Sri Lanka, Honduras and Georgia), resulting in a wider ability to capitalise on every demand upturn in these geographies.

Global access to raw material

Gravita's global presence makes it possible to access raw materials from regions proximate to their manufacturing locations, rationalising freight costs.

Environment-friendly

Gravita's environment friendliness is showcased in its ISO 14001:2004 certification. The Company is a registered manufacturer under Ministry of Environment and Forests for Lead processing and recycling, endorsing its longstanding emphasis on recycling and the use of clean technologies.

Rich product mix

Gravita services diverse customer needs through a spectrum of Lead products (re-melted Lead ingot, pure Lead, Lead alloys, litharge, red Lead, Lead sub oxides, powder and sheets, among others). The proportion of income from value-added Lead

products accounted for 95.74% of our revenues in 2010-11.

Strong brand

Gravita's brand is built around quality products that are widely accepted across the world and conforms to demanding international technical specifications. We also participate in major international industry conferences, resulting in enhanced sectoral visibility.

Customer relationships

Gravita enjoys enduring relationships with customers through an ability to provide the entire product range, resulting in a single-stop solution. As a result, a part of the business is made to order and a part is sold after manufacture.

Intellectual capital

Gravita's senior management possesses rich 19-year industry experience. More than 80 members of its global work force comprises engineers; the Company also employs a large number of Chartered Accountants and MBAs; the average employee age is 35-40 years, reflecting enthusiasm.

Complete solutions provider

Gravita is perhaps the only player in the

global secondary Lead industry to offer a complete solution: From manufacturing a range of Lead products to setting up turnkey plants (through our subsidiary Gravita Exim Limited). This translates into a profitable presence in the overall industry scenario.

Wide sectoral applications

Gravita's products find application in various industries like batteries, glass, ceramics, pharmaceuticals, paints, electronics, ammunitions and chemicals, cable sheathing and galvanizing, among others.

Technology

Gravita possesses captively developed Lead processing technologies, enhancing its industry standing as a knowledge organisation present at the cutting-edge of industry development.

Fiscally-efficient locations

The Company acquired plants in fiscally-efficient locations (Jammu and the proposed facility in the Jaipur SEZ); this will translate into an effective tax (excise and income tax) hedge when production is scaled in 2011-12.

Profitable

Most of the Company's overseas plants are profitable, vindicating its decision to be present in those locations.

OPERATIONS

Raw material management

In the business of Lead production and equipment fabrication, it is critical to manage inventory so that there is no excess at any point, and a dearth at any other. Besides, competent inventory management makes it possible to minimise holding costs and reduce the Company's exposure to raw material price volatility.

Gravita India Limited implemented an effective inventory management and control system to efficiently manage material flow and optimal equipment utilisation. The Company invested in ERP to maintain its raw material and finished products inventory.

The principal raw materials used by the Company comprise Lead scrap, Lead acid battery scrap, Lead ore, Lead concentrate and re-melted Lead ingots.

Around 70% of the raw materials used in the manufacturing process are imported. These raw materials are procured locally and also imported from GCC, EU, Africa and the Middle East, on account of attractive price differentials.

Effective inventory control

The Company has invested in comprehensive inventory management comprising the following points:

- ▶ The movement of raw materials and work-in-process is carried out methodically to minimise large stock holding or material shortage.
- ▶ The Company is engaged in demand forecasting, coupled with corresponding ordering (imports and domestic).
- ▶ The Company factors the cost of raw

material, aggregate shipping and economic order, while agreeing to supply.

- ▶ The Company optimises inventory to minimise carrying costs, while feeding market demand.
- ▶ The Company stocks contemporary material, avoiding obsolete merchandise.

Resource use

The manufacturing unit utilises 1,500-2,000 litres of water per day for the manufacturing process. The Company meets the water requirements through bore-wells. The total connected power load of the unit is 425 KVA and average power withdrawal is about 160 KVA. The manufacturing unit enjoys an equivalent connection load from Jaipur Vidyut Vitaran Nigam Ltd (JVNL).

Gravita invested in people, processes and practices to deliver consistent quality products. The manufacturing operations are managed by experienced metallurgists and quality control supervisors.

Quality

In a business where the end product specifications are influenced by chemical and purity characteristics, it is imperative to produce consistently in line with customer requirements.

Gravita invested in people, processes and practices to deliver consistent quality products. The manufacturing operations are managed by experienced metallurgists and quality control supervisors.

► The Company manufactures products as per national and international standards like BIS, ASTM and LME grade.

► The Company invested in a state-of-the-art laboratory with Optical Emission Spectroscope (OES) and Atomic Absorption Spectroscope (AAS), to check product quality.

► The refined Lead manufactured by the Company conforms to LME grade

specifications; Lead alloys and other products (litharge, red Lead and grey oxide) conform to their respective industry and customer standards.

► The Company's operations are certified as per ISO-9001:2008.

Marketing

Over the years, the Company focused on the manufacture of customised quality products. In turn, this created a consumer 'pull'.

► The products are used in industrial applications. The Company markets these products in India and abroad; the subsidiaries market products in their respective markets.

► The Company participates in various

conferences and exhibitions; it is also a part of various institutes and federations.

► The Company appointed consignment agents in Pune, Delhi and Hyderabad; it proposes to appoint agents in other areas to market products.

► The Company markets products using the internet as a marketing and

branding tool. The products are listed, and advertisements are displayed on various B2B portals related to the Lead metal industry.

► The Company appointed commission agents in Iran, Egypt and Turkey. Exports for 2010-11 constituted 38% of the turnover (standalone).

Human Resources

Considering the Company's commitment to excellence, it lays great emphasis on human resources (HR). HR is the focal point around which the Company revolves, and a work culture, where employees do not feel stifled, but remain in pursuit of excellence amidst operational freedom. An interactive atmosphere pervades the Company; the team is regarded as its biggest asset.

The Company seeks to foster its employees' growth, and expansion of new ideas and work ethos, through an atmosphere of appreciation and recognition. The Human Resource Department, catalyses for positive change, and constantly strives to build a value-based high performance culture, resulting in higher productivity and job satisfaction.

The Company also recognises the importance of providing training and development to its people, which enables it to achieve its business objectives. Industrial relations were cordial throughout the year under review and the management thoroughly acknowledges employees support at all levels.

The Company employed 260 people (in addition to Executive Directors) as on 31st March, 2011.

Environment management

The Company invested in environment-friendly technologies in line with its objectives to provide a safe, clean and healthy environment. The Company minimised the generation of waste water, air emissions and solid waste, preventing pollution at the source, through clean technologies, reduction in the use of natural resources, reuse and waste recycling. In doing so, the Company complies with all national and international environmental laws and regulations. The Company's Environment Management Systems are ISO 14001:2004-certified.

Pollution control and waste management

The waste output of a Lead recycling plant can be categorised into the following forms:

Solids: It is defined as the final waste called slag, obtained after the recycling of Lead bearing material. Slag is obtained at the end of the process, containing less than 2.0% of Lead content by weight. The Company makes slag in non-leachable form by way of proper fluxing through silica and fluorspar. These are disposed in government-approved landfill areas.

Liquids: No liquid waste is generated in the plant, as the Company uses water for the treatment of SOX gas in a wet scrubber which is neutralised and re-

circulated within the system.

Gases: The gases and fumes generated in the system are effectively controlled through pollution control equipment. The amount of Lead content and fuel dust in these gases is collected at every stage by pollution control equipment.

a) SOX : Sulphur content present in the gases are being treated with water in the wet scrubbing system.

b) Lead dust and solid particulate matter: These are controlled and separated from flue gases by different pollution control equipment.

c) NOx: No nitrogenous components are produced because of the low temperature of operation.

MANAGEMENT DISCUSSION AND ANALYSIS

Economic overview

India's manufacturing sector grew rapidly in 2010-11. The CII ASCON survey conducted by the Confederation of Indian Industry concluded that most sectors, out of the 121 sectors covered in the survey, showed excellent growth of over 20%.

Industrial sector growth was buoyant during the first two quarters (April- June, July-September) of the current financial year. The manufacturing sector, particularly, showed remarkable robustness, growing at rates of 12.6% and 9.9% during these two quarters. Thereafter, industrial growth began to moderate. This compares with global

trends, as global manufacturing continued to rebound post crisis till the first half of 2010, thereafter moderating.

India's post recovery industrial output growth was largely driven by a few sectors such as the automotive sector, along with cotton textile revival, leather, food and metal products. The impact of favourable monsoons on the domestic-demand-driven industrial sector was not widespread.

Industry structure and development

Lead has been extracted and used since 4,000 BC. It is the fifth-most widely used metal after iron/steel, aluminium,

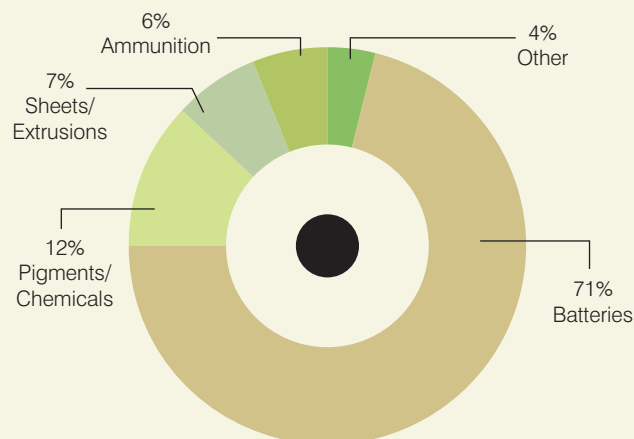

copper and zinc, and is among the most recycled non-ferrous metals. The main input for Lead recycling comes from Lead acid battery scrap, which is a hazardous material.

The global demand for Lead is over 8.5 million tonnes. India's total annual Lead demand is around 6,00,000 tonnes. Lead demand in India is growing at a 12% rate annually, owing to rapid infrastructure growth, as against the global average of 6%. India lacks Lead ore reserves, and necessitates large scale imports and secondary sources such as recycling.

World Lead production

Industrial consumption

Source: <http://www.lme.com>

In India, the only primary Lead smelter is Hindustan Zinc of the Vedanta Group, which contributes around 65,000 tonnes of the total supply in India. Secondary smelters contribute around 3,30,000 tonnes of Lead supply, of which around 1,70,000 tonnes is contributed by the unorganised sector players and 1,60,000 tonnes by organised sector players annually. The balance is met by imports.

Around 71% of the world's total Lead production is used in the battery segment, 12% in pigments/chemicals, 7% in sheets/extrusions, 6% in ammunition and 4% in other miscellaneous segments.

During Q4, the average Lead LME price per tonne increased to US\$ 2,605, compared with US\$ 2,219 in the corresponding prior period.

For FY 2011, the average Lead LME price per tonne increased to US\$ 2,244, compared with US\$ 1,990 in the corresponding prior period.

The industry is expected bound to gain from the 13.75% rise in prices to US\$ 2,351 per tonne on the London Metal Exchange in the past one year.

Financial performance

During the year under review, the Company's overall performance was attractive. The Company's major performance indicators are as under:

(₹ in lacs)

Particulars	Consolidated			Standalone		
	2010-11	2009-10	% change	2010-11	2009-10	% change
Net sales	25,368.23	15,876.47	59.78	19,538.19	10,517.45	85.77
Profit before interest, depreciation, tax and extra-ordinary items	2,233.55	1,822.58	22.55	1,339.83	842.16	59.09
Profit after tax and minority interest	1,474.73	1,232.37	19.67	973.23	576.54	68.80
Earning per share (re-stated)	12.95	16.78	(22.80)	8.54	7.85	8.80

Risk management

A slowdown in economic growth in India could affect the Company's growth

▶ Industrial growth was 7.8% in 2010-11 against 10.5% in 2009-10. However, manufacturing output, which constitutes about 80% of the industrial production, rose to an annual 7.9% (*Source: CSO estimates*)

▶ The automobile industry grew in excess of 13% over the last few years and the Indian automobile industry is expected to grow at a rate of 15-16% in 2011. The growth rate recorded for domestic sales for 2010-11 was 26.17%, amounting to 15,513,156 vehicles.

Any downturn in LME prices could put a pressure on export pricing and impact financials.

▶ Only the Company's manufacturing business is affected by LME prices (47% of the Company's revenues, 2010-11).

▶ The international trading and turnkey businesses are independent of LME prices. Gravita's trading business grew over two folds in 2010-11. The Company expects to increase its turnkey projects through the purchase of 17,656 sq. mt of land in the Jaipur SEZ.

The Lead industry is hazardous, and governed by strict environmental laws and regulations. Any non-compliance could affect the business.

▶ The Company's manufacturing processes and procedures are ISO 14001:2004 certified.

▶ The Company complies with all applicable environmental laws and has its procedures licensed, where ever required.

A presence in one region could gradually lead to client concentration, a risk in the event of any unforeseen happenings.

▶ To cater to the northern region, the Company acquired a plant in Jammu. It also expects to invest in Kathua in the state of J&K.

▶ The Company has an overseas presence across 8 countries, enhancing its proximity to cheaper raw materials.

Internal control systems

The Company's philosophy towards the control system is mindful of leveraging resources towards optimisation, while ensuring the protection of its assets. The Company deploys a robust system of internal control, that facilitates the accurate and timely compilation of financial statements and management reports; ensures regulatory and statutory compliance; and safeguards investors' interests by ensuring the

highest level of governance and periodical communication with investors. M/s. Kalani & Co., Jaipur, is the internal auditor of the Company, who conducts audits and submits quarterly reports to the Audit Committee. The Audit Committee reviews the effectiveness of the Company's internal control system and invites the senior management/functional Directors to provide an

update of their functions from time to time. The Company's Internal Assurance Group also conducts periodic assurance reviews, in order to judge the adequacy of the internal control systems. It simultaneously reports to the Audit Committee, the Board, the Chairman and the Managing Director of the Company.

NOTICE OF THE ANNUAL GENERAL MEETING

Notice is hereby given that the **Nineteenth Annual General Meeting** of the Members of **Gravita India Limited** will be held on **Wednesday, the 27th July 2011 at 04.30 P.M.** at Fortune Park Bellacasa, Cityplex, 1 Ashram Marg, Tonk Road, Jaipur- 302018 (Rajasthan) to transact the following businesses:

Ordinary Business

1. To consider and adopt the Audited Balance Sheet as at March 31, 2011 and the Profit and Loss Account for the year ended on that date and the Reports of the Directors and Auditors thereon.
2. To declare Final Dividend on Equity Shares for the year ended March 31, 2011.
3. To appoint a Director in place of Dr. Mahaveer Prasad Agarwal, who retires by rotation and being eligible, offers himself for re-appointment.
4. To appoint a Director in place of Mr. Arun Kumar Gupta, who retires by rotation and being eligible, offers himself for re-appointment.
5. To appoint M/s. Rajvanshi & Associates, Chartered Accountants, the retiring Auditors, as the Statutory Auditors of the Company, who shall hold office from the conclusion of this Annual General Meeting until the conclusion of the next Annual General Meeting and to fix their remuneration.

Special Business

6. To consider and if thought fit, to pass, with or without modification (s), the following Resolution as a **SPECIAL RESOLUTION**:

ANNEXURE TO THE NOTICE

EXPLANATORY STATEMENT PURSUANT TO SECTION 173(2) OF THE COMPANIES ACT, 1956

The following Explanatory Statement sets out all material facts relating to the Special Business mentioned in the accompanying Notice:

ITEM NO. 6

As per the provisions of Section 163 of the Companies Act, 1956 the Registers, records, Books of Accounts, etc. are to be kept at the Registered office of the Company. Further, if a Company wants to keep the said documents at any other place then Special resolution of members in this regard is required to be passed. As such, in compliance of the law, approval of the Members is sought by a Special Resolution for keeping the Records mentioned in the Resolution at Item No. 6 at a place other than the registered office of the Company by keeping them at the Corporate Office of the Company viz. 402, Rajputana Tower, A-27B, Shanti Path, Tilak Nagar, Jaipur – 302 004, Rajasthan, India.

A copy of the Notice of the proposed special resolution will be served in advance to the Registrar of Companies, Rajasthan at Jaipur as required under the Companies Act, 1956.

The Directors recommend passing of the Special Resolution at Item No. 6 of the Notice.

None of the Directors of the Company is in any way, concerned or interested in this resolution.

ITEM NO. 7

Shri Rajat Agrawal, Promoter and Managing Director of the Company is a first generation entrepreneur with great vision and high caliber to execute the schedules well in time. He being backbone of the Company, with experience of more than 17 years in Industrial Management, has expanded

the business of the Company many-fold during last couple of years. He has established various projects related to Lead Metal Globally aggressively, particularly from year 2005 onwards.

In the post listing scenario with the increased operations of the Company in India as well as overseas, the role and responsibilities of Mr Agrawal has also increased. Therefore, the Board recommends the increase in his remuneration for the remaining term of his office.

The Managing Director, in addition to salary, shall be entitled to facilities as are allowable to the employees of Senior Management Cadre of the Company. Such facilities consist of facilities like use of Company's Car for official purpose, Group Personal Accident Insurance, Group Medi-claim for self and family, Mobile phone (including payment for local calls and long distance official calls).

None of the Directors except Shri Rajat Agrawal and Dr. M P Agarwal, are interested in this resolution.

ITEM NO. 8

Shri Rajeev Surana, Promoter and Whole-time Director of the Company is a well known technocrat for his contribution in Lead Industry. Being a visionary and aggressive personality Mr Surana is an asset for the Organization. Under his guidance and exemplary motivation skills the Company has grown leaps and bounds. Due to increased responsibilities of Mr Surana in the post listing scenario because of

the increased operations of the Company and various new expansion plans on cards, the Board recommends the increase in his remuneration for the remaining term of his office.

The Whole-time Director, in addition to salary, shall be entitled to facilities as are allowable to the employees of Senior Management Cadre of the Company. Such facilities consist of facilities like use of Company's Car for official purpose, Group Personal Accident Insurance, Group Medi-claim for self and family, Mobile phone (including payment for local calls and long distance official calls).

None of the Directors except Shri Rajeev Surana, are concerned or interested in this resolution.

ITEM NO. 9

The Company came up with an Initial Public Offering of ₹45 Crores in November 2010. With the lapse of time, the Company has to change its investment plans in view of changing business environment and number of other factors. Since the State Government of Jammu & Kashmir is offering number of tax holidays for inviting more and more industries there and the Company could also find out a proper unit in the State, it decided to move with this decision immediately. Towards this end, the Company entered as partner in to a partnership Firm M/s K M Udyog in Jammu with majority stake of 60% along with its subsidiary Gravita Exim Ltd. The installed capacity of the firm towards Lead smelting and refining is 7200 MT annually.

The Company became partner in M/s Gravita Technomech to set up a world class manufacturing facility for Lead refining and smelting Plant & Equipment in Special Economic Zone set up by Mahindra World City Jaipur. The Board proposes to enter as Partner in M/s Metal Inc., a partnership firm in Kathua (J & K). To set up these ventures the Company requires funds of around ₹1,295 Lacs. The Board proposes to use the IPO funds for these expansions.

So far the Company could not materialize the investment plans in Belarus and Chile in view of need of any lucrative or beneficial proposal being implemented in these countries and they does not seem to materialize in near future. The Board has therefore decided not to use the IPO funds for expansion plans in these countries.

Simultaneously, the Company has also increased its investment stake in Senegal and Honduras in line with further fund requirements in ventures of the Company in these countries.

With the growing business the working capital requirements of the Company are also increasing. In addition to the increased working capital limits from the Bankers the Board proposes to use a further sum of ₹2 crores from IPO Funds for working capital needs.

In view of the above it is proposed to change the utilization of proceeds of IPO funds from those mentioned in the Prospectus. In terms of provisions of Listing Agreements entered into by the Company with Stock Exchanges any changes in investment plans of IPO Funds from those mentioned in IPO document shall be furthered with the

permission of shareholders granted by way of Special Resolution. Accordingly this resolution is being put before the shareholders for their permission on the same.

The detailed project cost along with necessary details for the new objectives shall be put before the meeting for inspection and information of the members. Stakeholders may also call for a copy of the same at any time.

The Board recommends the said changes in IPO objectives in view of overall progress of the Company.

None of the Directors may be considered concerned or interested in the resolution.

ITEM NO. 10

The Board of Directors of the Company realizes the dedicated and committed contribution of its sincere team of employees in pursuing growth with excellence in performance. To motivate the employees and to enable them to participate in the long-term growth and financial success of the Company, with a common objective of maximizing the shareholder value, it is proposed to introduce an Employee Stock Option Plan (ESOP) namely 'Gravita Employee Stock Option Plan 2011'. The ESOP would not only enable the Company to attract and motivate employees by rewarding performance as also to retain best talents. Simultaneously the Management foresees the development of a sense of ownership with the Company among the Employees.

It is proposed to introduce the said stock option scheme for the benefit of the employees of the Company.

The following explanatory statement sets out various disclosures and the Salient features of the ESOP:

1. Total number of options to be granted: Such number of options convertible into Equity Shares of the Company which when converted, shall not exceed in aggregate 6,81,000 (Six lakh eighty one thousand only) Equity Shares of the nominal value of ₹10/- each at a price as stated herein below

2. Identification of classes of employees entitled to participate in the ESOP: Persons who are permanent employees of the company including Directors (not being part of 'Promoters and Promoter Group') as may be decided by the Compensation Committee / Board, from time to time. Employees may be granted Stock Option based on performance and such other criteria as the Compensation Committee / Board in its absolute discretion decides. The options granted to an employee shall not be transferable to any person and shall not be pledged, hypothecated, mortgaged or otherwise alienated in any manner.

3. Requirements of vesting and period of vesting: Vesting of options shall commence after a period of one year from the date of grant, and may extend upto five years from the date of grant of options. The vesting period may be reduced and/or occur in tranches, subject to the terms and conditions of vesting, as may be stipulated by the Compensation Committee / Board, in its discretion.

4. Exercise Price or Pricing formula: The options shall be issued at such price, which shall not be less than the

face value of the share of the Company, as the Compensation Committee / Board may in its absolute discretion decide.

5. Exercise Period and the process of Exercise: The Exercise period may commence from the date of vesting, and will expire at the end of six years from the date of grant of options, or such other time period as may be decided by the Compensation Committee / Board, from time to time.

The options will be exercisable by the Employees by a written application to the Company to exercise the options in such manner, and on execution of such documents, as may be prescribed by the Compensation Committee / Board from time to time.

The options will lapse if not exercised within the specified exercise period.

6. Appraisal Process for determining the eligibility of the employees to ESOP: The appraisal process for determining the eligibility of the employee will be decided by the Compensation Committee / Board, and may be based on criteria such as seniority of employee, length of service, performance record, merit of the employee, future potential contribution by the employee and/or such other criteria that may be determined by the Compensation Committee / Board at its sole discretion.

7. Maximum number of options to be issued per employee and in aggregate: The maximum number of options granted per employee per year will not exceed 1% of the equity capital of the Company, as determined from time to time.

8. Disclosure and Accounting Policies: The Company shall comply with disclosure and the accounting policies specified in the Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999 and / or such other guidelines as may be applicable from time to time.

9. Method to value options

The Company shall use the intrinsic value method for the purpose of calculating value of options. The accounting shall be based on the intrinsic value so calculated.

Since the Company shall be calculating the employee compensation cost using the intrinsic value of the stock options, the difference between the employee compensation cost so computed and the employee compensation cost that shall have been recognized if it had used the fair value of the options, shall be disclosed in the Directors' Report. Further the impact of this difference on profits and on EPS of the Company shall also be disclosed in the Directors' Report.

As the Scheme provides for issue of shares to be offered to persons other than existing shareholders of the Company, consent of the members is sought pursuant to Section 81(1A) and all other applicable provisions, if any, of the Act and as per clause 6 of the Guidelines.

None of the Directors of the Company are in any way, concerned or interested in the resolution, except to the extent of the securities that may be offered to them under the scheme.

ITEM NO. 11

The Company heavily draws on the dedicated and committed contribution of its sincere team of employees in subsidiaries of Gravita world over in pursuing growth with excellence in performance. The employees of the subsidiary companies also contribute to the growth and prosperity of the group as a whole. To motivate these employees and to enable them to participate in the long-term growth and financial success of the Group, with a common objective of maximizing the shareholder value, it is proposed to make these employees also eligible for the 'Gravita Employees Stock Option Plan 2011' as envisaged in Item No. 10 of this Notice.

As the Scheme provides for issue of shares to be offered to persons other than existing shareholders of the Company, consent of the members is sought pursuant to Section 81(1A) and all other applicable provisions, if any, of the Act and as per clause 6 of the Guidelines.

None of the Directors of the Company are in any way, concerned or interested in the resolution, except to the extent of the securities that may be offered to them under the scheme.

By Order of the Board

The Board for the year ended March 31, 2011 recommended a dividend of ₹4/- per share subject to the approval of shareholders at the Annual General Meeting. The dividend will be paid on total share holding of 1,36,20,000 Equity Shares of the Company.

Management Discussion and Analysis Report

Management Discussion and Analysis

report for the year under review is presented in separate section forming part of Annual Report.

Public Issue

During the year under review the Company turned into a public listed entity with an Initial Public Offering ('IPO' or 'Issue') of its equity shares in November 2010. The shares were listed on the National Stock Exchange of India Ltd (NSE) and Bombay Stock Exchange Ltd (BSE) on 16th November, 2010. The IPO was floated for 36,00,000 Equity Shares of ₹10/- each at price of ₹125/- (₹115/- premium) per share aggregating to ₹4500 Millions. The Issue received a good response from all sections of investors and was oversubscribed by 42.24 times. The Issue was through 100% book building process and the price band for the Issue was ₹120 to ₹125 per share. The Issue was fully subscribed at the higher end of the band i.e. ₹125 per share. The total proceeds received by the Company amounted to ₹4500 Million. The net proceeds received from the Issue have been utilized to date as follows:

Particulars	Actual utilization (₹ In lacs)	Balance (₹ in lacs)	Total (₹ in lacs)
Proceeds of the Issue	1723.83	2776.17	4500.00
Internal Accruals	14.74	594.26	609.00
Total	1738.57	3370.43	5109.00

The Board of Directors proposes to change the objects of utilization of net proceeds of IPO in similar operations but in different Regions/States as against those stated in the Prospectus dated November 10, 2010 towards which the consent of the shareholders is sought in the ensuing Annual General Meeting of the Company.

Subsidiaries

The Company has following Subsidiaries:

1. **GRAVITA EXIM LTD.:** Gravita Exim Ltd is an engineering and consulting company which provides turnkey solutions for Lead recycling, refining/ alloying and Oxide plants. Gravita Exim Ltd is known for its cost effective and environmental friendly recycling technology across the globe, and has already supplied 41 projects in 34 countries. During the year under review the Company did not made any further investments in Gravita Exim Ltd.

Gravita Exim Ltd (GEL) has one subsidiary company listed below:

Penta Exim Ltd.: Gravita Exim Ltd has major shareholding in Penta Exim Ltd., which is a trading and Import- Export Company dealing in Lead, Lead Alloys, Oxides and other kinds of Lead Products and Chemicals. It also deals in Engineering goods and machinery items.

During the Year under review GEL disinvested its complete investment in Gravita Zambia Ltd which was also its subsidiary company.

2. **GRAVITA GHANA LTD.:** Gravita India Ltd ventured out in Ghana (West Africa) as a step to expand its presence in West Africa and to cover the neighboring 3-4 countries of West Africa. Tema has a strategic location being a major port of West Africa and all the land locked countries are approaching to this city for exportation of their material. Eco-friendly recycling Plant is manufacturing Lead ingots and Poly Propylene Chips. The capacity of the plant is 3000 MTPA. The company is in free trade zone which helps in hassle-free import/export of goods. It does not attract any kind of importation duty and other taxes.

Gravita Ghana Ltd is a wholly-owned subsidiary of the Company. During the year under review, the Company did not make any further investment in the capital of the subsidiary.

3. **GRAVITA SENEGAL S.A.U.:** Gravita Senegal S.A.U. is a wholly owned subsidiary of GIL in Senegal in the extreme West corner of African continent with capacity of 1800 MTPA. It enjoys complete access to raw materials at competitive prices and derives benefits of an export unit. It is an

ambitious project targeting to become the biggest Lead recycler in West Africa. It is the only Lead recycling company in Senegal and enjoys full support of the Government. Besides this, the company is working with the United Nations Based Convention Regional Centre, the international Lead management centre and the Govt of Senegal for environmentally sound management of Used Lead Acid Batteries.

During the year under review, Company made further investment of ₹182.77 Lacs (One hundred Eighty two lacs only) in the capital of the subsidiary.

4. **GRAVITA GEORGIA LIMITED:** The Company has an investment in Georgia which is one of the most mineral rich countries in the CIS region. There is sufficient availability of Used Lead Acid Batteries in the CIS region and the plant is capable of processing 1800 MT of battery scrap annually in an environment friendly manner. It is a wholly-owned subsidiary of the Gravita India Ltd.

During the year under review Company did not make any further investment in the capital of the subsidiary.

5. **GRAVITA MOZAMBIQUE LDA:** The Unit was set up with an investment in Mozambique to cover the southern part of Africa. The good part is that six other countries touch Mozambique and the plant is located in Maputo, which is capital of Mozambique as well as a port city. Nearness to source of raw material and port is an advantage. It is the only company in Mozambique in the field of used battery scrap recycling.

During the year under review, the Company further invested in its overseas venture in Mozambique an amount of ₹31.98 Lacs (Thirty One Lacs Ninety Eight Thousand only) for business expansion plans of the Venture.

6. **FLORET TRADELINK LIMITED:** Floret Tradelink Limited is a trading company which imports Glass and Glass products from China and sells the same in the domestic market. The products are used in construction industry.

During the year under review the Company made a further investment of ₹2,03,500/- (Two Lacs Three Thousand Five hundred only) as Floret got registered as Public Limited Company.

7. **GRAVITA INFRA PRIVATE LIMITED:** With an eye on the infrastructure sector the Company incorporated its subsidiary Gravita Infra Private Limited on 21.05.2010.

8. **GRAVITA ENERGY LIMITED:** Gravita Energy Limited was incorporated on 29.06.2010 with the objective of exploring opportunities in the power sector, through various available sources like wind, solar, thermal, hydro and nuclear.

9. **PARTNERSHIPS:** During the year under review the Company acquired holding stake in three partnership firms viz, M/s Gravita Technomech, Jaipur; M/s K M Udyog, Jammu; and Gravita Technomech LLP, Jaipur:

Though the standalone Balance Sheets of Subsidiary Companies are not attached in this Annual Report, the said reports and related detailed information shall be made available for inspection by the members of the Company at the Registered Office of the Company and hard copy of the same would also be made available to the members of the holding and subsidiary companies on request. A statement pursuant to Section 212 of the Companies Act, 1956, is set out in notes to the Consolidated Financial Statements.

CEO/CFO CERTIFICATION

14.05.2011

To
The Board of Directors
Gravita India Limited
Jaipur.

We, Rajat Agrawal, Managing Director & CEO and Sunil Kansal, General Manager (Finance) [head of Finance Function and a qualified Chartered Accountant], of Gravita India Limited, on the basis of the review of the Financial Statements and the Cash Flow Statement for the year ended 31st March 2011 and to the best of our knowledge and belief, hereby certify that:

1. These statements do not contain any untrue statement of a material fact or omit to state a material fact necessary to make these statements;
2. These statements and other financial information included in this annual report present, in all material respects, a true and fair view of the Company's State of affairs and are in Compliance with existing Accounting Standards and / or applicable laws and regulations;
3. To the best of our knowledge and belief, no transactions entered into by the Company during the year are fraudulent, illegal or violative of the Company's Code of Conduct;
4. We accept responsibility for establishing and maintaining internal controls for financial reporting and that we have evaluated the effectiveness of Internal Control System of the Company pertaining to financial reporting and we have disclosed to the Auditors and the Audit Committee, deficiencies in the design or operation of such Internal Controls, if any, of which we are aware and the steps we have taken or propose to take to ratify these deficiencies.
5. We have indicated to the Auditors and the Audit Committee:
 - a. Significant changes in Internal Control over financial reporting during the year;
 - b. Significant changes in Accounting Policies during the year and that the same have been disclosed in the notes to the Financial statements; and
 - c. Instance of significant fraud of which we have become aware and the involvement therein, if any, of the management or an employee having a significant role in the Company's Internal Control System over financial reporting.

AUDITORS' CERTIFICATE

To
The Members
Gravita India Limited
Jaipur

We have examined the Compliance of conditions of Corporate Governance by Gravita India Limited for the year ended on March 31, 2011, as stipulated in Clause 49 of the Listing Agreement of the said Company with Stock Exchange.

The Compliance of conditions of Corporate Governance is the responsibility of the management. Our examination was limited to procedures and implementation thereof, adopted by the Company for ensuring the Compliance of the conditions of Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

In our opinion and to the best of our information and explanations given to us, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in the above-mentioned Listing Agreement.

We further state that such Compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the management has conducted the affairs of the Company.

FINANCIAL SECTION

AUDITOR'S REPORT

To
The Share Holders
GRAVITA INDIA LIMITED
JAIPUR

1. We have audited the attached Balance Sheet of **GRAVITA INDIA LIMITED** as at 31st March 2011, Profit and Loss Account and the Cash Flow Statement for the year ended on that date annexed thereto. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.
2. We conducted our audit in accordance with auditing standards generally accepted in India. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.
3. As required by the Companies (Auditor's Report) Order 2003 as amended by the Companies (Auditor's Report) (Amendment) Order, 2004 (hereinafter referred to as 'the Order') issued by the Central Government of India in terms of sub-section (4A) of Section 227 of the Companies Act, 1956, we enclose in the Annexure a statement on the matters specified in paragraphs 4 and 5 of the said Order.
4. Further to our comments in the Annexure referred to in paragraph 3 above, we report as follows :->
 - a. We have obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - b. In our opinion, proper books of account as required by law have been kept by the Company so far as appears from our examination of those books;
 - c. The Balance Sheet, Profit & Loss Account and Cash Flow Statement dealt with by this report are in agreement with the books of account;
 - d. In our opinion, the Balance Sheet, Profit and Loss Account and Cash Flow Statement dealt with by this report comply with the Accounting Standards referred to in sub-section (3C) of Section 211 of the Companies Act, 1956.
 - e. On the basis of the written representation received from the directors, and taken on record by the Board of Directors, as on March 31, 2011, we report that none of the directors is disqualified as on March 31, 2011 from being appointed as a director in terms of clause (g) of sub-section (1) of section 274 of the Companies Act, 1956
 - f. In our opinion and to the best of our information and according to the explanations given to us, the said accounts read with notes, give the information required by the Companies Act, 1956, in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India:
 - i) in the case of Balance Sheet, of the state of affairs of the Company as at March 31, 2011;
 - ii) in the case of Profit & Loss Account, of the profit of the Company for the year ended on that date and
 - iii) in the case of Cash Flow Statement, of the cash flows for the year ended on that date.

ANNEXURES TO THE AUDITOR'S REPORT

(Referred to in paragraph 3 of our report of even date)

- (i) In respect of fixed assets:
 - (a) The Company has maintained proper records showing full particulars including quantitative details and situation of its fixed assets on the basis of available information.
 - (b) As explained to us, fixed assets have been physically verified by the management in a phased periodical manner which in our opinion is reasonable having regard to the size of the Company and the nature of its assets. No material discrepancies were noticed on such verification, as per the explanations provided to us.
 - (c) In our opinion and according to the information and explanation given to us, there is no substantial disposal of fixed assets during the year.
- (ii) In respect of its inventories:
 - (a) As explained to us, the inventories have been physically verified by the management during the year. In our opinion, the frequency of verification is reasonable having regard to the size of the company and the nature of its business.
 - (b) In our opinion and according to the information and explanations given to us, the procedures of physical verification of inventory followed by the management are reasonable and adequate in relation to the size of the company and nature of its business.
 - (c) In our opinion and according to the information and explanations given to us, the company has maintained proper records of its inventories. No discrepancies noticed on verification between the physical stocks and the book records.
- (iii) In respect of loans secured or unsecured, taken or granted by the company to/from companies, firms or other parties covered in the register maintained u/s 301 of the Companies Act, 1956:
 - (a) As per information and explanations provided to us, the company has given loan to three of its subsidiaries namely Floret Tradelink Ltd. of ₹48,50,000, Gravita Technomech LLP of ₹2,96,48,000 and Gravita Exim Ltd. of ₹5,66,50,000. Maximum amount outstanding at any time during the year being ₹53,02,820, ₹2,96,48,000 and ₹2,62,55,246 respectively and balance at the year end being ₹5,26,164, ₹2,96,48,000 and ₹1,04,65,646 respectively.
 - (b) In our opinion, the rate of interest, where applicable and other terms & conditions on which loans have been given to the parties listed in the register maintained u/s 301 of the Companies Act, 1956 are not prima facie prejudicial to the interest of the company.
 - (c) In our opinion and according to the information and explanations given to us the receipt of the principal amount and interest as per terms of the agreement are regular.
 - (d) There is no overdue amount in excess of ₹1 Lacs in respect of loans granted to companies, firms or other parties listed in the register maintained under section 301 of Companies Act, 1956.
 - (e) According to the information and explanations given to us, the Company has taken unsecured loan of ₹66,50,000 from two directors during the year and also repayment was made of the same amount which is covered in the register maintained under section 301 of the Companies Act, 1956.
 - (f) In our opinion, the rate of interest, where applicable and other terms & conditions on which loans have been taken from the parties listed in the register maintained u/s 301 of the Companies Act, 1956 are not prima facie prejudicial to the interest of the company.
 - (g) In our opinion and according to the information and explanations given to us the payment of the principal amount and interest as per terms of the agreement are regular.
- (iv) In our opinion, and according to the information and explanations given to us, there is an adequate internal control system commensurate with the size of the Company and nature of its business for the purchase of inventory and fixed assets and for the sale of goods and services. During the course of our audit, we have not observed any continuing failure to correct major weaknesses in such internal control system.

ANNEXURES TO THE AUDITOR'S REPORT (Contd.)

- (v) In respect of register maintained under Section 301 of the Companies Act, 1956:
- (a) Based on the information and explanations given to us, the transactions pertaining to contracts and arrangements that need to be entered into a register in pursuance of section 301 of the Companies Act, 1956 have been so entered.
- (b) According to information and explanation given to us, there are transactions of purchases and sales entered in the register maintained under section 301 of the Companies Act, 1956 and prices of such are reasonable having regard to prevailing market prices at the relevant time as explained to us.
- (vi) In our opinion and according to the information and explanations given to us, the Company has not accepted deposit from Public and companies, therefore burden of Compliance of the provision of Section 58A and 58AA clause 4(vi) of the Companies Act 1956 do not arise.
- (vii) In our opinion, the Company has internal audit system commensurate with the size of the Company and nature of its business.
- (viii) As informed to us, Company is maintaining the cost records as prescribed under Section 209(1) (d) of the Companies Act, 1956 by the Central Government for the products of the Company. We have not, however, carried out the detailed examination of the same.
- (ix) According to the information and explanations given to us and on the basis of our examination of the books of account, the Company has been regular in depositing undisputed statutory dues including Income Tax, TDS, Sales-tax, VAT, Custom Duty, Excise Duty, Educational Cess and any other dues during the year with the appropriate authorities except in three cases.

S.No	Particulars	Amount Involved (₹ in Lacs)	Forum where dispute is pending
1.	The Sales Tax exemption claimed by the company has been withdrawn and interest of ₹8.69 Lacs was levied by expatriate order.	20.20	Assistant Commissioner, Commercial Taxes Department Special Circle-II Jaipur
2.	Disallowance of various expenses u/s 143(3) of The Income Tax Act 1961	1.55	C.I.T (Appeals) III JAIPUR
3.	Rejection of Central Excise rebate of 4.70 lacs and refund of 0.05 lacs on exported goods u/s 11B of Central Excise Act 1944	4.75	Central Excise Appellate Tribunal, Delhi (CEGAT)

- (x) The Company does not have any accumulated losses at the end of the financial year and has not incurred cash losses during the financial year covered by our audit and also in the immediately preceding financial year.
- (xi) Based on our audit procedures and according to the information and explanations given to us, we are of the opinion that the Company has not defaulted in repayment of dues to financial institutions and the banks during the year.
- (xii) In our opinion and according to the explanations given to us and based on the information available, no loans and advances have been granted by the Company on the basis of security by way of pledge of shares, debentures and other securities.

ANNEXURES TO THE AUDITOR'S REPORT (Contd.)

- (xiii) The Company is not a chit fund / nidhi / mutual benefit fund / society. Therefore, the provisions of the clause 4(xiii) of the Order, are not applicable to the Company.
- (xiv) In our opinion, the Company is not dealing in or trading in shares, securities, debentures and other investments. Accordingly, the provisions of clause 4(xiv) of the Order are not applicable to the Company.
- (xv) The Company has given guarantees for loans taken by others from banks and financial institutions. According to the information and explanations given to us, we are of the opinion the terms and conditions thereof are not prima facie prejudicial to the interest of the Company.
- (xvi) According to the information and explanation given to us, and on an overall examination of the balance sheet of the Company, the company has raised six term loans during the year and has applied for the purpose for which they have been raised.
- (xvii) According to the information and explanation given to us, and on an overall examination of the balance sheet of the Company, we are of the opinion that there are no funds raised on short-term basis that, prima facie, have been used for the long term investment nor the long term loan have been used to finance short term assets except for permanent working capital.
- (xviii) During the year the company has not allotted equity shares on preferential basis to the parties covered in the register maintained u/s 301 of the Companies Act, 1956.
- (xix) According to the information and explanation given to us, during the period covered by our audit report, the Company has not issued any debentures. Accordingly, no security/charge has been created in respect of debentures issued.
- (xx) The Company has issued 36,00,000/- equity shares of Face value of ₹10/- each at a premium of ₹115/- per share during the year. The end use of proceeds of the fund raised by public issue has been disclosed by the management in the notes to the accounts which is duly verified by us.
- (xxi) To the best of our knowledge and belief and according to the information and explanations given to us, no fraud on or by the Company was noticed or reported during the year.

NOTES FORMING PART OF FINANCIAL STATEMENT for the Period 01-Apr-2010 to 31-Mar-2011

Schedule 18 SIGNIFICANT ACCOUNTING POLICIES AND NOTES TO FINANCIAL STATEMENT

A. Significant Accounting Policies:

I. Basis of preparation of Financial Statement

(a) Basis of Accounting:

- i. The financial statements are prepared on the accounting principles of a going concern.
- ii. The Company follows accrual method of accounting and the financial statements have been prepared in accordance with the historical cost conventions which are in accordance with the generally accepted accounting principles and the provisions of the Companies Act, 1956.
- iii. Accounting Policies not specifically referred to otherwise are consistent and in consonance with the applicable accounting standards prescribed by the Companies (Accounting Standards) Rules, 2006 to the extent applicable.
- iv. All expenses and income to the extent ascertainable with reasonable certainty are accounted for on accrual basis.

(b) Use of Estimates

The preparation of financial statements in conformity with Generally Accepted Accounting Principles (GAAP) in India requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosures of contingent liabilities on the date of financial statements and reported amounts of revenue and expenses for that year. Although these estimates are based upon management's best knowledge of current events and actions, actual results may differ from these estimates.

II. Valuation of Inventory

- (a) The stock of Work-in-progress and finished goods of the Business has been valued at the lower of cost and net realisable value. The cost has been measured on the standard cost basis and includes cost of materials and cost of conversion to its present location and conditions.
- (b) All other inventories of stores, consumables, raw materials are valued at landed cost. The stock of waste is also valued at cost. Cost is measured on average cost.
- (c) Stock – in – Transit is valued at cost.
- (d) All items of inventories as certified by the Management are valued on the basis mentioned above.

III. Cash Flow Statement

- (a) The Cash Flow Statement has been prepared under the 'Indirect Method' as set out in Accounting Standard 3 on Cash Flow Statement issued by the Institute of Chartered Accountants of India.
- (b) Figures in bracket represent outflow in cash.
- (c) Cash & Cash Equivalent includes ₹690,657 as Cash in Hand, ₹553,606 as Cheque in Hand & ₹24,31,090 in current account and ₹23,549,245 in term deposit (Pledged with BSE & Custom Authorities) as balance with scheduled banks.

IV. Prior Period Items

Prior period items which arise in the current period as a result of 'errors' or 'omissions' in the financial statements prepared in earlier years effects of changes in estimates of which are not treated as omission or error.

V. Fixed Assets

Fixed assets are stated at their original cost of acquisition less accumulated depreciation and impairment losses. Cost comprises of all costs incurred to bring the assets to their location and working condition and includes all expenses incurred up to the date of commercial utilisation.

VI. Depreciation

- (a) Depreciation on Fixed Assets is provided, pro rata for the period of use, on Straight Line Method (SLM), as per rates specified in the Schedule XIV to the Companies Act, 1956.
- (b) Individual assets costing less than ₹5,000/- have been fully depreciated in the year of purchase on pro rata basis.

NOTES FORMING PART OF FINANCIAL STATEMENT for the Period 01-Apr-2010 to 31-Mar-2011

Schedule 18 SIGNIFICANT ACCOUNTING POLICIES AND NOTES TO FINANCIAL STATEMENT (Contd.)

VII. Revenue Recognition

- (a) Sales and operating income includes sale of products, by-products and waste, income from job work services and foreign exchange differences. Sales are recognised based on passage of title to goods which generally coincides with dispatch. Revenue from export sales are recognised on shipment basis. Sales are stated net of returns, excise duty and Sales Tax/VAT. Export incentives are accounted on accrual basis at the time of export of goods, if the entitlement can be estimated with reasonable accuracy and conditions precedent to claim are fulfilled.
- (b) Interest income is recognised on time proportion basis taking into account the amount outstanding and the rate applicable.
- (c) Revenue from job work services is recognised based on the services rendered in accordance with the terms of contracts.
- (d) Claims receivable on account of Insurance are accounted for to the extent the Company is reasonably certain of their ultimate collection.
- (e) Dividend Income is recognised in the year in which it is declared / received.

VIII. Foreign Currency Transactions

- (a) Transactions denominated in foreign currencies are normally recorded at the exchange rate declared by the custom authorities for the relevant period.
- (b) Monetary Items denominated in foreign currencies at the year end are restated at year end rates.
- (c) Non-monetary foreign currency items are carried at cost.
- (d) Any income or expense on account of exchange difference either on settlement or on translation is recognised in the Profit and Loss Account except in cases where they relate to acquisition of fixed assets, which are adjusted to the carrying cost of such assets.

IX. Investments

Investments are classified as long term or current based on intention of the management at the time of purchase. Investments are classified into current and long-term investments. Current investments are stated at the lower of cost and fair value. Long-term investments, other than in Associates, are stated at cost. A provision for diminution is made to recognise a decline, other than temporary, in the value of long-term investments.

X. Employees benefit

- (a) Provident Fund of the Regional Provident Fund Commissioner is a defined contribution scheme and contribution made to Regional Provident Fund Commissioner is charged to Profit & Loss Account.
- (b) Gratuity liability is defined benefit obligation and is provided for on the basis of actuarial basis and is being funded every year through policy of approved fund.
- (c) Liability of Leave encashment is accounted for on the basis of actuarial valuation and is being funded through policy of approved fund.
- (d) Actuarial gains & losses are charged to Profit & Loss Account.
- (e) Bonus is paid to employees on the maximum rate of 20% of Basic Pay as per payment of Bonus Act, 1965 and to other employees at the rate of 8.33% on Basic Pay and shown as Exgratia.

XI. Borrowing Cost

Borrowing costs include interest, fees and other charges incurred in connection with the borrowing of funds. Borrowing costs that are attributable to the acquisition/construction of qualifying assets are capitalised as part of the cost of such asset up to the date when the asset is ready for its intended use. A qualifying asset is one that necessarily takes substantial period of time to get ready for intended use. All other borrowing costs are charged to Profit and Loss Account.

XII. Earning Per Share

The Company reports basic and diluted Earnings per Share (EPS) in accordance with Accounting Standard - 20 on Earnings per Share. Basic EPS is computed by dividing the net profit or loss for the year by the weighted average number

NOTES FORMING PART OF FINANCIAL STATEMENT for the Period 01-Apr-2010 to 31-Mar-2011

Schedule 18 SIGNIFICANT ACCOUNTING POLICIES AND NOTES TO FINANCIAL STATEMENT (Contd.)

of Equity shares outstanding during the year. Diluted EPS is computed by dividing the net profit or loss for the year by the weighted average number of equity shares outstanding during the year as adjusted for the effects of all dilutive potential equity shares, except where the results are anti-dilutive.

XIII. Taxes

- Income-Tax expense for the year comprises current tax and deferred tax.
- Provision for current tax is made on the basis of the assessable income at the tax rate applicable to the relevant assessment year.
- The deferred tax results from "timing difference" between taxable and accounting income is accounted for using the tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date. The deferred tax asset is recognised and carried forward only to the extent that there is a virtual certainty that the asset will be realised in future

XIV. Impairment of Assets

An asset is considered as impaired in accordance with Accounting Standard 28 on Impairment of Assets when at balance sheet date there are indications of impairment and the carrying amount of the asset, or where applicable the cash generating unit to which the asset belongs, exceeds its recoverable amount (i.e. the higher of the asset's net selling price and value in use). The carrying amount is reduced to the recoverable amount and the reduction is recognised as an impairment loss in the Profit and Loss Account.

XV. Provisions, Contingent Liabilities and Contingent Assets

Provisions involving a substantial degree of estimation in measurement are recognised when there is a present obligation as a result of past events and it is probable that there will be an outflow of resources. Contingent liabilities are not recognised but are disclosed in the accounts by way of notes. Contingent assets are neither recognised nor disclosed in the financial statements.

XVI. Derivatives & Commodity Hedging Transactions

- In order to hedge its exposure to foreign exchange, interest rate and commodity price risks, the Company enters into forward, option, swap contracts and other derivative financial instruments. The Company neither holds nor issues any derivative financial instruments for speculative purposes.
- Derivative financial instruments are initially recorded at their fair value on the date of the derivative transaction and are re-measured at their fair value at subsequent balance sheet dates.

B. NOTES TO ACCOUNTS:

- These financial statements are prepared for the period 01-Apr-2010 to 31-Mar-2011. Corresponding figures are reported for the year ended on 31-Mar-2010. The previous year's figures have been reworked, regrouped, rearranged and reclassified wherever necessary. Amounts and other disclosures for the preceding year are included as an integral part of the current year financial statements and are to be read in relation to the amounts and other disclosures relating to current year.

2. Contingent Liabilities not provided for:

(₹ in Lacs)

CONSOLIDATED AUDITOR'S REPORT

To
The Board of Directors
GRAVITA INDIA LIMITED
JAIPUR

1. We have audited the attached Consolidated Balance Sheet of GRAVITA INDIA LIMITED (the 'Parent Company') and its subsidiaries (collectively referred to as 'the group') as at 31st March 2011, the Consolidated Profit and Loss Account and the Consolidated Cash Flow Statement for the year ended on that date annexed thereto. These financial statements are the responsibility of the Company's management and have been prepared by the Management on the basis of separate financial statements and other financial information regarding components. Our responsibility is to express an opinion on these financial statements based on our audit.
2. We conducted our audit in accordance with auditing standards generally accepted in India. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by Management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.
3. We have not audited the financial statements of 6 subsidiaries namely Gravita Exim Limited, Penta Exim Limited, Gravita Georgia Limited, Gravita Senegal SAU, Gravita Ghana Limited & Gravita Mozambique LDA whose financial statements reflect total assets of ₹22.47 crores as at 31st March 2011 and the total revenue of ₹80.40 crores for the year then ended. These financial statements and other financial statements and other financial information have been audited by other auditors whose reports have been furnished to us and our opinion is based solely on the report of the other auditors.
4. The Financial Statements of associates, Navam Lanka Limited, Pearl Landcon Private Limited & Gravita Honduras SA for the year ended on 31st March 2011 have not been audited by us.
5. We report that the consolidated financial statements have been prepared by the Company's management in accordance with the requirements of Accounting Standard (AS) 21 on Consolidated Financial Statements and (AS) 23 on Accounting for Investment in Associates in Consolidated Financial Statements, as notified by the Companies (Accounting Standards) Rules, 2006.
6. Based on our audit as aforesaid, and on consideration of reports of other auditors on the separate financial statements and on the other financial information of the components and to the best of our information and according to the explanation given to us, we are of the opinion that the attached Consolidated Financial Statements give a true and fair view in conformity with the accounting principles generally accepted in India:
 - i) in the case of Consolidated Balance Sheet, of the state of affairs of the Group as at March 31, 2011;
 - ii) in the case of Consolidated Profit & Loss Account, of the profit of the Group for the year ended of that date and
 - iii) in the case of Consolidated Cash Flow Statement, of the cash flows of the Group for the year ended on that date.

NOTES FORMING PART OF CONSOLIDATED FINANCIAL STATEMENT

Schedule 18 SIGNIFICANT ACCOUNT POLICIES AND NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

A. Significant Accounting Policies

I. Basis of preparation of Financial Statements

The Consolidated Financial Statement relate to Gravita India Limited and its subsidiaries. The consolidated financial statement has been prepared in accordance with AS-21 and prepared on the following basis:

a. Basis of Accounting

The financial statements are prepared under historical cost convention to comply in all material aspects with the mandatory Accounting Standards notified under Companies (Accounting Standards) Rules 2006 and the provisions of the Companies Act, 1956, adopting accrual system of accounting unless otherwise stated.

b. Principles of Consolidation

The financial statements of the subsidiary companies used in the consolidation are drawn as of the same reporting date as of the Company.

The consolidated financial statements have been prepared on the following basis:

- i. The financial statements of the Company and its subsidiary companies have been combined on a line-by-line basis by adding together like items of assets, liabilities, income and expenses. Inter-company balances and transactions and unrealized profits or losses have been eliminated.
- ii. The excess of cost to the Group of its investments in subsidiary companies over its share of the equity of the subsidiary companies at the dates on which the investments in the subsidiary companies are made, is recognised as 'Goodwill' being an asset in the consolidated financial statements. Alternatively, where the share of equity in the subsidiary companies as on the date of investment is in excess of cost of investment of the Group, it is recognised as 'Capital Reserve' and shown under the head 'Reserves and Surplus', in the consolidated financial statements.
- iii. The consolidated financial statements include the share of profit / loss of associate companies as prescribed in AS-23, which are accounted under the 'Equity method' as per which the share of profit of the associate company has been added to the cost of investment. An associate is an enterprise in which the investor has significant influence and which is neither a subsidiary nor a joint venture. Investments in associates are initially recorded at cost, any Goodwill/Capital reserve arising at the time of acquisition are identified and carrying amount of investment are adjusted thereafter by post acquisition share of Profits/Losses.
- iv. Minority interest's share in net assets of consolidated subsidiaries is presented in the consolidated balance sheet separate from liabilities and the equity of company shareholder. Minority interest in the consolidated financial statements is identified and recognised after taking consideration :
 - a. The amount of equity attributable to minorities at the date on which investments in a subsidiary is made.
 - b. The Minorities' share of movement in equity since the date parent – subsidiary relationship came into existence.
 - c. The Losses attributable to the minorities are adjusted against the minority interest in the equity of the subsidiary.
 - d. The excess of loss over the minority interest in the equity is adjusted against General Reserve of the Company.
- v. In case of foreign subsidiaries, being non integral foreign operations, revenue items are translated at the average rates prevailing during the period. Assets, liabilities and equity are translated at the closing rate. Any exchange difference arising on translation is recognised in the "Foreign Currency Translation Reserve".
- vi. The CFS are prepared by using uniform accounting policies for like transactions and other events in similar circumstances and necessary adjustments required for deviations, if any to the extent possible, are made in the CFS and are presented in the same manner as the company's separate financial statements except otherwise stated elsewhere in this schedule.

NOTES FORMING PART OF CONSOLIDATED FINANCIAL STATEMENT

Schedule 18 SIGNIFICANT ACCOUNT POLICIES AND NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (Contd.)

- vii. The stocks held out of the inter-group sale and purchase transaction are stated at the cost to the seller company and the adjustment thereof is stated as stock reserve.
- viii. The fixed assets acquired from group companies are restated at the cost to the company and the depreciation is calculated on the cost to the seller company.
- ix. The figures of Previous year have been regrouped/reclassified, where necessary, to conform with the current year's classification.

c. Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles (GAAP) in India requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosures of contingent liabilities on the date of financial statements. The estimates and assumption used in the accompanying Financial Statements are based upon management's evaluation of the relevant facts and circumstances as of the date of financial statements. Actual Results could differ from those estimates. Any revision to accounting estimates is recognised prospectively in current and future periods.

II. Valuation of Inventory

- a. The stock of Work-in-progress and finished goods of the Business are measured at lower of cost and net realisable value after providing for obsolescence, if any. Cost of inventories comprises of cost of purchase, cost of conversion and other costs incurred in bringing them to their respective present location and condition.
- b. All other inventories of stores, consumables, raw materials are valued at cost. The stock of waste is valued at realisable value. Cost is measured on actual average.

III. Fixed Assets

Fixed assets are stated at their original cost of acquisition less accumulated depreciation and impairment losses. Cost comprises of all costs incurred to bring the assets to their location and working condition and includes all expenses incurred up to the date of commercial utilisation.

IV. Depreciation

- a. Depreciation on Fixed Assets is provided on Straight Line Method (SLM), as per rates specified in the Schedule XIV to the Companies Act, 1956.
- b. Individual assets costing less than ₹5,000/- have been fully depreciated in the year of purchase on pro rata basis
- c. The company provides Pro-rata depreciation from the day asset is put to use and for any asset sold, till the date of sale.

V. Revenue Recognition

- a. Sales and operating income includes sale of products, by-products and waste, income from job work services and foreign exchange differences. Sales are recognised based on passage of title to goods which generally coincides with dispatch. Revenue from export sales are recognised on shipment basis. Sales are stated net of returns, excise duty and Sales Tax/VAT. Export incentives are accounted on accrual basis at the time of export of goods, if the entitlement can be estimated with reasonable accuracy and conditions precedent to claim are fulfilled.
- b. Interest income is recognised on time proportion basis taking into account the amount outstanding and the rate applicable.
- c. Revenue from job work services recognised when services are rendered and related costs are incurred in accordance with the terms of contracts.
- d. Claims receivable on account of Insurance are accounted for when there is a reasonable certainty of recovery. Claims are reviewed on a periodical basis and if recovery is uncertain, provision is made in the account.
- e. Dividend Income is recognised in the year in which it is received.

NOTES FORMING PART OF CONSOLIDATED FINANCIAL STATEMENT

Schedule 18 SIGNIFICANT ACCOUNT POLICIES AND NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (Contd.)

VI. Foreign Currency Transactions

- a. Transactions denominated in foreign currencies are normally recorded at the exchange rate declared by the custom authorities for the relevant period.
- b. Monetary items denominated in foreign currency are converted at exchange rates prevailing on the date of Balance Sheet.
- c. Non-monetary foreign currency items are carried at cost.
- d. Any income or expense on account of exchange difference either on settlement or on translation is recognised in the Profit and Loss Account except in cases where they relate to acquisition of fixed assets, which are adjusted to the carrying cost of such assets.

VII. Investments

Investments are classified as long term or current based on intention of the management at the time of purchase. Investments are classified into current and long-term investments. Current investments are stated at the lower of cost and fair value. Long-term investments, other than in Associates, are stated at cost. A provision for diminution is made to recognise a decline, other than temporary, in the value of long-term investments. Investments in Associates are accounted for using the equity method.

VIII. Employees benefit

- a. Provident Fund of the Regional Provident Fund Commissioner is a defined contribution scheme, and contribution made to Regional Provident Fund Commissioner is charged to Profit & Loss Account.
- b. Gratuity liability is defined benefit obligation and is provided for on the basis of actuarial basis and is being funded every year through policy of approved fund.
- c. Liability of Leave encashment is accounted for on the basis of actuarial valuation and is being funded through policy of approved fund.
- d. Actuarial gains & losses are charged to Profit & Loss Account.

IX. Borrowing Cost

Borrowing costs include interest, fees and other charges incurred in connection with the borrowing of funds. Borrowing costs attributable to acquisition, construction or production of qualifying asset are capitalised as part of the cost of that asset, till the month in which the asset is ready for use. A qualifying asset is one that necessarily takes substantial period of time to get ready for intended use. All other borrowing costs are charged to Profit and Loss Account.

X. Segment Reporting

The accounting policies adopted for segment reporting are in line with the accounting policies adopted in consolidated financial statements with the following additional policies being considered for segment reporting:

- a. Inter segment revenue has been accounted for based on the transaction price agreed to between segments which is primarily market led.
- b. Revenue and expenses have been identified to segments on the basis of their relationship to the operating activities of the segment. Revenue and expenses, which relate to the enterprise as a whole and are not allocable to segments on a reasonable basis, have been included under "Unallocated corporate expenses".

XI. Earnings per Share

The Company reports basic and diluted Earnings per Share (EPS) in accordance with Accounting Standard - 20 on Earnings per Share. Basic earning per share is computed by dividing the net profit or loss attributable to the equity shares shareholders for the period by the weighted average number of Equity shares outstanding during the reporting period. Diluted earning per share reflects the potential dilution that could occur if securities or other contracts to issue equity shares were exercised or converted during the year. Diluted Earning per Share is computed by dividing the net profit or

NOTES FORMING PART OF CONSOLIDATED FINANCIAL STATEMENT

Schedule 18 SIGNIFICANT ACCOUNT POLICIES AND NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (Contd.)

loss for the year by the weighted average number of equity shares and dilutive potential equity shares outstanding during the year.

In computing dilutive earning per share, only potential equity shares that are dilutive and that reduce profit/loss per share are included.

XII. Taxes

- a. Income-Tax expense for the year comprises current tax (i.e. amount of tax for the period determined in accordance with the income tax laws and deferred tax charge or credit (Reflecting the tax effects of timing differences between accounting income and taxable income for the period).
- b. Provision for current tax is made on the basis of the assessable income at the tax rate applicable in the respective companies.
- c. The Deferred tax charge or credit and the corresponding deferred tax liabilities or assets are recognised using the tax rates that have been enacted or substantively enacted by the balance sheet date. Deferred tax assets are recognised only to the extent there is a reasonable certainty that the assets can be realised in future. Deferred tax assets are reviewed as at each balance sheet date and written down or written up to reflect the amount that is reasonably / virtually certain (as the case may be) to be realised.

XIII. Provisions, Contingent Liabilities and Contingent Assets

The company creates a provision when there is a present obligation as a result of past events and it is probable that there will be outflow of resources and a reliable estimate of the obligation can be made of the amount of the obligation. Contingent Liabilities are not recognised but are disclosed in the notes to the financial statements. A disclosure for a contingent Liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

Provisions are reviewed at each balance sheet date and adjusted to reflect the current best estimate. If it is no longer probable that the outflow of resources would be required to settle the obligation, the provision is reversed.

Contingent assets are not recognised in the financial statements. However, contingent assets are assessed continually and if it is virtually certain that an economic benefit will arise, the assets and related income are recognised in the period in which the change occurs.

B. Notes to Accounts

1. The subsidiaries considered in the consolidated financial statements are:-

a. Direct Subsidiaries

Name of Direct Subsidiary	% of Share holding/ Profit Sharing Ratio As on 31st March 2011	Country of Incorporation	Date of becoming subsidiary
Gravita Exim Ltd.	99.65%	India	27-Mar-2009
Floret Tradelink Ltd.	50.90%	India	16-Nov-2009
Gravita Energy Ltd.	99.00%	India	29-June-2010
Gravita Infra Private Ltd.	60.00%	India	21-May-2010
Gravita Technomech LLP	51.00%	India	15-Sep-2010
Gravita Technomech	51.00%	India	3-Mar-2011
K.M. Udyog	55.00%	India	30-Mar-2011
Gravita Georgia Ltd.	100.00%	Georgia	10-Nov-2009
Gravita Senegal SAU	100.00%	Senegal	5-Aug-2007
Gravita Ghana Ltd.	100.00%	Ghana	31-March-2008
Gravita Mozambique LDA	96.38%	Mozambique	24-Dec-2007

NOTES FORMING PART OF CONSOLIDATED FINANCIAL STATEMENT

Schedule 18 SIGNIFICANT ACCOUNT POLICIES AND NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (Contd.)

b. Indirect Subsidiaries (Subsidiaries of Gravita Exim Limited)

Name of Indirect Subsidiary	Effective % of Share holding As on 31st March 2011	Actual % of Share Holding As on 31st March 2011	Country of Incorporation	Date of becoming subsidiary
Penta Exim Ltd.	89.70%	90.02%	India	27-Mar-2009

2. Loss on sale of investment includes Loss on the disposal of subsidiary / associate company as under:

- Gravita Zambia Ltd. ₹5.06 Lacs
- Pagrik Ethiopia PLC ₹46.19 Lacs

Due to above mentioned disposal there is a dilution in the stake held in these companies and change in the carrying amount of the same which are reported as under:

Company Name	As at 31 March 2011		As at 31 March 2010	
	Stake Held	Carrying Amount	Stake Held	Carrying Amount
Gravita Zambia Ltd.	-	-	99.13%	3774725
Pagrik Ethiopia PLC	14.00%	1447192	60.00%	6202000

3. The Associates considered in the consolidated financial statements following equity method on the basis of principles given in Accounting Standards (AS)23 Accounting for Investments in Associates in Consolidated Financial Statement are:-

Name of Associates Companies	% of Share holding As on 31st March 2011	Country of Incorporation	Date of becoming Associate
Navam Lanka Ltd.	39.99%	Sri Lanka	03-Jan-2008
Pearl Landcon Private Ltd.	24.91%	India	15-Oct-2007
Gravita Honduras SA	33.33%	Honduras	17-Feb-2010

4. Other Income includes ₹116.21 Lacs on account of exchange differences

5. Information about Primary Business Segment:
